Corporate Giving

We live in an area where many local businesses and organizations share our passion for ensuring our land and natural resources are healthy and plentiful for generations to come. Our beautiful landscape and ample opportunities for outdoor recreation provide a high quality of life, helping businesses attract and retain excellent employees. We invite your organization or business to join us in this effort.

Corporate gifts help Mississippi Valley Conservancy increase the pace, permanence, and quality of land conservation and restoration in this area. Support to the Conservancy also helps with our efforts to connect children to nature.

Mississippi Valley Conservancy is an accredited nonprofit land trust based in La Crosse, Wisconsin. With member support, we have permanently conserved more than 20,000 acres of blufflands, prairies, wetlands, and streams in and around the Mississippi, Kickapoo, and Wisconsin rivers since our founding in 1997. Over 4,000 acres are open to the public for hiking, bird watching, hunting, fishing, photography, and snowshoeing.

Join us in our mission to conserve the native habitats and farmlands of Wisconsin's Driftless Area for the health and well-being of current and future generations.

The benefits of becoming a Conservation Partner

Contributing to Mississippi Valley Conservancy reflects your organization's values and raises your visibility across southwest Wisconsin as a key player in natural resources conservation. We offer numerous recognition benefits. Your business can make a one-time or recurring contribution to support our programs and operations. Similar to an individual donation, corporate support provides us with organizational strength, community clout, and financial stability.

To become a Conservation Partner at one of the levels shown, contact us at 608-784-3606 ext.8.

Benefits	CONSERVATION PARTNERSHIP LEVELS			
	Platinum $10,000	Diamond $5,000	Gold $2,500	Silver 1,000

Membership mailings and email updates.	✔	✔	✔	✔

Your gift today will provide tangible results along with the satisfaction of knowing you have done something that will have a lasting and positive impact for future generations.

Platinum partners become Trail Sponsors

As a Platinum-level Conservation Partner, your organization automatically becomes a Trail Sponsor. A sign with your organization's logo will be prominenetly displayed for a full year at the trailhead of a Conservancy-owned property of your choice (some restrictions may apply).

This means many of our area's most conservation-minded citizens will see and associate your brand with social and environmental responsibility.
