

LINKED TO THE LAND

Your support ensures

Family-friendly hiking trails throughout 7,000 acres of protected land remain open to the public for outdoor recreation

A variety of conservation workshops, led by local community experts, remain free and available to everyone in the Driftless Area

Generations of people will continue to experience the magic of the Driftless and nurture their own relationships with the natural world

YOUR community continues to be a great place to live, work and play through conservation focused on sustainability, promoting local food production and protecting our precious resources

Sponsorship comes in a variety of forms: financial, promotional, and in-kind.

Mississippi Valley Conservancy is a 501(c)(3) nonprofit organization. Under IRS guidelines, your contribution is tax deductible to the full extent of the law.

Mississippi Valley CONSERVANCY

— The difference your sponsorship makes —

Creates space for people to connect with nature

People of all backgrounds find that time outdoors restores, inspires, and connects them to the Driftless landscape.

“Excellent event...very well organized and everyone was so kind and helpful as well as very knowledgeable about land conservation and bat ecology. Well worth the 50+ mile drive.” — S.C.

Trails and land open to all

Your sponsorship helps ensure that access to protected lands and trails remain free, welcoming, and well cared for—today and into the future.

Empowers a community

Through shared outdoor experiences, people develop a deeper love for the land, a sense of belonging, and a lasting commitment to protecting water, wildlife, and natural places.

“Our guide was excellent at identifying and explaining different bird songs. I saw my first scarlet tanager, and I loved walking the trails and learning more about birds. Many thanks to each of you!” — J.W.

“Excited to go home and start removing invasives from my own woods now!” — L.P.

Your visibility as a Linked to the Land sponsor
